“ Betty was a hero of mine, she had strength and determination to overcome any obstacle she encountered.
We had many conversations of being self reliant and mentored me at a time in my life I was worn thin with useless advice and tattered results.
I can hear her say so many times over and over "If you want something done right , you better learn to do it yourself !" and for as long as her body would allow, she lived those words.
Betty also assisted me in "outsmarting -situations" I was placed ,for that I am forever thankful !
She was "My Lady of Iron "and as gentle as a lamb in my world.
I was Blessed to have her in my life and I am proud to call her~ My Friend.
A Legion that will live on through me.
Rest in Peace Dear Lady !
