Bettye Jo Wilbourn (Beal), age 84, of Grant, Alabama peacefully passed away on Saturday March 5, 2022 at the home of her brother in Grayson, Georgia. She was born in Garth, Alabama on May 17, 1937 and was a 1955 graduate of Madison County High School in Gurley, Alabama. She was member of The First Baptist Church of Grant.

Bettye Jo was a warm and caring people person but also took great pride in being a strong and independent woman. She was witty and blunt, but also kind and compassionate. She could flash her beautiful smile and start up a conversation with everyone she encountered. She never knew a stranger and would always make you feel welcomed. She graciously assisted in the care of her parents and siblings in their last days. She loved fiercely and deeply and we take comfort in knowing she is now able to peacefully rest in her heavenly home.

She was preceded in death by her parents Leon and Lela Carden Beal; sisters Margaret Holder and Mary Virginia Edgil, and brothers Billy Beal and Bobby Beal.
