“ Debby I grew up with Bryan and Allen and he was a most wonderful kid growing up and became one fine example of manhood. He was so courageous and he testified and helped others through his battle. He truly had the faith in God. I just saw this on Monday so I sure would of love to been there with you for the services but so sorry but know you are in my thoughts and prayers and one of my dearest friends for many many years. Love you Debby may the Holy Spirit comfort you in these dark days you are facing.

“ Bryan was a good man and a great father to Tim and Jason. Boys I am sorry for your loss. Both of you were fine students at DAR School and your dad was a great supporter of the school, your teachers, and me. Your dad was always proud of you and expected your best, and you gave it. I pray for all of you.
