*So many memories of my beautiful aunt, from childhood to now being grown.*

*We had many long talks early in the mornings or if I needed to talk she would say "Well just call if you feel like talking"*

*She would always say I'll be praying for you and about the situation.*

*She will forever be missed.....*

*Untill we meet again Aunt Christine....I love you*

“ *I have many wonderful memories of my aunt and my sister by the blood of Jesus. The ones I'll cherish the most is the times we were in church together. And how the Lord blessed her the last time we were there. When she learned she had a battle a head she'd say " I'm not worried ". Why should she be. She had a better place to go. Her race is won. My heart is broken, but by the Grace of God I will see you again. Forever in my heart.*
