“ I’ve been all over the country since high school and I still haven’t met anyone that funny! He was my HERO hands down! Such a gifted mind that always wanted to please people and make them laugh. Me and him were as bad as any high school kids with trying to be the class clown, but Daniel was the funniest and I was always like “how the heck did he come up with that”? Class clown **should** have gone to him but he wasn’t going to DAR at that time. **THERE WILL NEVER BE ANOTHER LIKE HIM!**
