“ Dan was a stalwart supporter of the warfighter. As Site Lead, he would always go above and beyond to make sure that our tests were a complete success. Although I only met him a few times, he made a lasting impression with his professionalism and "can do" attitude. He will be greatly missed, but his legacy will live on in the Soldiers that his tests helped to bring home from the battlefield.

“ Hated to hear of this news. Dan was so great to work with, always so nice and sweet. Only got the please to know him a little over 2 years, but in that short time was able to learn so much from him. He will be greatly missed by me, and many other from RTC.
