“ Your entire family was such an important part of my daughter's life at Auburn University. You all opened up your hearts and home to Katie while she was so far away from her home here in NJ. Daniel was a great young man and a tribute to you, his parents. My prayers will continue to be with you as you somehow try to heal your saddened hearts and grief. I know how emotionally upset Katie was upon her return from the funeral and she will always remember those 4 wonderful years she had with that special group of friends. My deepest sympathy to all of the family.
