“ My mother was an extremely devoted wife, mother and grandmother. She loved us fiercely and her grandbabies even more. She moved to Alabama not knowing if she was going to like it or even stay. She found her soulmate when she met my dad and they were together for 45 years. I am so proud to have her as my mother and her grandbabies are the luckiest to have had a Nana like her. This isn't goodbye it's only a see you later because we will all meet up when we're called home and we will reunite and be whole once more.
