“ Today is the day I have dreaded my entire life, the reason my mailbox is always full. I feel like I was awoken and put in the most horrible nightmare ever. I made phone calls I never ever want to have to make again. Heard the most painful screams and cries. I heard the words that I knew I'd hear one day, but never ever wanted to hear. I feel like I'm dieing. May you be forever at ease chilling with your parents. I will see you again. 💔 heaven may have gained an amazing man, but I, I gained the best guardian angel ever. They say I will make it and be ok. I pray they are right. I am so glad he is pain free now, but so heart broken I didn't get to say goodbye. Forever a daddy's girl! 💜💜 you today, tomorrow and always.

“ *Howdy made everyday at work enjoyable for me. Loved hearing his stories. He became more than a coworker in a short period of time and just as much my family as my own blood. My heart is heavy with his loss. I'll miss you until I see you again.*
