“ I was sad to hear about your Dad. He was the youngest of my cousins. Jerry and Johnny and I were very close when we were growing up. We spent endless hours playing ping pong and building tent forts out of your Grandma Gladys bed sheets. The three of us were always having sleepovers at each others houses. We liked going to Jerry's because his Mom was the best cook. We lost track of each other when we grew up. Marriage, geography and time, people get busy and forget. It has been alot of years since I saw your Dad. I did think of him and now of course I wish had tried to get in touch with him. I have a son in Brownsboro who I visited over Christmas. I was busy with my grandchildren and thought to myself, next time I'm here I will try. He was a sweet little boy and a fine man. I am so sorry he is gone.
