“ *As we have gotten older, we often think of what another friend of ours shared with us years ago! He said that a person was very fortunate if he had five close friends—that is, friends he could count on under the most dire circumstances or share the most delicate secrets! Jesse was one of our “five”! We will certainly miss him! 😭 Our sincere condolences to Susan, Meaghan, Eve and to all of his family!*

We love you!!! 💕💕💕

“ Jesse worked for me as a Grocery Team Leader when I was a Store Manager at Publix at Owens Crossroads. Great associate that I had much respect for during my career at Publix. Jesse was an excellent associate and became a great Store Manager at Publix. Continued prayers for Jesse’s family and I’m looking forward to the day we meet again in heaven. Thanks for being such a great role model for others and leaving such a positive legacy for others. It was such a honor and pleasure knowing you, working with you, and having the chance to play golf with you. Wishing Jesse’s family my condolences and wishing them the very best in life. Love you brother Jesse!
