

Mrs. Jessica Kirkland Totor

March 19, 1989 - June 26, 2024

A beautiful soul, Jessica Diane Kirkland Totor, went home to eternal rest on June 26, 2024. Jessie, as she was called by those who loved her, was diagnosed with cancer at the tender age of 15. Her dream was always to have children, but as a result of her cancer treatment, she was told that would never happen. The Lord knew best and blessed her with two beautiful babies that she cherished more than anything. She worked hard to graduate from college. She had more strength than she ever gave herself credit for. She is remembered by all who knew her as a sweet, compassionate child of God who always put others before herself.

Jessica is survived by her parents, Larry and Susan Kirkland, her husband Rusty Totor, and her precious girls Kylinn and Ella. She is also survived by her brother Ken Kirkland, sister Vicki Chaney (David). She adored her nieces and nephews John, Ava, Maura (William), and Lucas. She is also survived by several aunts, uncles, cousins, and all of her friends who she considered her family as well.

Jessica was preceded in death by her grandparents LG and Pauline Kirkland, Sherman and Louise Parker, and her brother Jeremiah Guffey.

Honorary pallbearers: Jason Kirkland, Tyler Kirkland, Justin Franks, David Chaney, Mike McCrary, Alex Campos, Colin Gilliland and William Moore.

The family asks that in lieu of flowers memorial donations be made in Jessica's name to further the cause of cancer research.

“ Sending prayers to you guys right now, I can't imagine ya'lls pain. Jessi was truly one of a kind, One of the best people I have ever known! She'd give the shirt off her back to help you if you needed it. She was the definition of constant in my life, and she didn't only touch my life but so many. She was a true Child of GOD, she loved the LORD and always strove to follow his example. She was so kind and humble, although I did manage to get caught in the cross hairs a few times, I never worried. Forgiveness was always there, she couldn't stay mad, she had too much love for that. I know no words can truly give comfort right now, but I believe the life she lived can bring comfort. She is at peace. Many prayers for you guys now and in the following days!
