“ I only got to know Josh through my husband because they worked together for several years but I would have to say that I feel very blessed that mine and Josh's paths did cross in our lives and that I'm so lucky to have been able to spend time around him and get to know him. He truly was a pleasure to be around and always had me laughing even when I didn't even feel like smiling he always seemed to be able to bring my smile out. Josh was truly a good man, a good father and most of all a true friend. Josh you will never know how much of an impact you made on mine and my husband's lives and we will miss you so much! Fly high bud! We love you! R.I.P
