“ Judy and Roy were our neighbors for a long time. We've often said they were the best neighbors we ever had. Judy had a soft heart when it came to helping others. In 2006 I lost my job and fell sick at about the same time. All we had coming in was about 500 bucks a month from my wifes job. I soon learned there is very little help for the poor in our great state. Judy and Roy gave us rides to all the places she knew we could get donated food. Without Judy, we would have went hungry. Judy was a good neighbor, a good friend, and a very nice lady. The world is worse off without her. With Love, the Barnhill family, Grant Alabama
