“ It was so good to be there when the Angels came for my sister... The song "Shouting Time in Heaven was playing on the Levi's phone... I love my sister and she will be dearly missed, but I'm glad she isn't suffering anymore.. I have so many good memories of her, one is when she worked at the sewing factory in Ocoee, and I use to ride my bike and take her a sandwich for lunch,, and she would always get me a coke from the back of the sewing room... I think they were 5 cents,, but boy did it ever taste so good...:) <3 love her and all she did for me... I was blessed to have her as a sister.. God Bless all her family and friends.
