“ Melvin, has always been special to our family. I will never forget the story he would tell of my dad (Lawrence) and my little brother (Neal) who had downs. Neal would tell Melvin he wanted a Dr Pepper and he always got one too. One day Dad and Neal went into Foodland & dad told him he better not ask for a Dr pepper, & Neal told Melvin that his throat really hurt and of course Melvin gave Neal a Dr. Pepper! Melvin loved Neal and Neal loved him unconditionally! When we would go into Foodland & get in conversation with Melvin, he most always had to tell us this story & Melvin would get so tickled telling us the story. Melvin will be missed, a special good hearted person, always treated me with respect, I enjoyed working with him, glad I got to know him. Prayers for the family. Martha Willmon Higdon
