“ No words we can express will soothe the hurt of loosing ones mother. Remember all the good memories and love that your mother gave you. She will be waiting at the front gates of heaven to see you one day. There will be great rejoicing that day!

Your mother would not like you to be sad as she is now with your father and the rest of her family and friends that went on before her to prepare for her homecoming.

Love,  
Dan, Melody, Katie & Kelly
