“ *Dr. Tucker will be sorely missed. He was a special man with special gifts that he used to bring quality care to thousands in the Gunter Mountain area. My family loved him dearly. We pray for his family and wish them God's peace during this time.*

“ *My thoughts and prayers are with the entire family during this sad time. Dr. Tucker was a wonderful man and a true hero to our community. He was loved by all who knew him. He served five generations of my family, and everyone admired and loved him. May God comfort and hold the family in His arms during their sorrow. Much love to the family. Lucinda Randles Parmer.*
