“ *I remember the first time I met him. I sang him a dolly parton song called gypsy Joe and me. That man fell in love with that song. Everytime I talked to him on the phone, I would sing this song for him. I love you big daddy and I will always keep you in my heart. Thankyou for the love you always showed me. Love always, Joe Hawkins*

“ I will miss my Uncle Bitty. He was as tough as they come and always trying to get a laugh out of people. Yesterday his children lost a wonderful Daddy, his siblings lost a wonderful brother, his wife lost a loving husband. I pray for peace and comfort for our family. I will always miss his laugh.

“ This is my daddy, Biddy Jackson. Daddy I miss you so bad. A million times you've crossed my mind a triple million tears have fell. I'm thankful your pain free and know the truth now. I miss our phone conversations our laughs at silly things and even miss our tears we shared. I am who I am today because you were a wonderful daddy I will love you through eternity.
I loved singing dancing in the sky to you yesterday as we was waiting on your transition from this life into the hands of our lord.
Words can't express how my heart aches from this pain.
Rest in Peace Daddy
I love you
