“ Never knew Paul or the family personally, but knew Paul as he was the one that I always talked with when I needed a meal for the annual meeting at Riverbend. He was the best!!
So sorry for the family and friends of such a great man. I know that he will be missed!

“ There will never be a day that goes by I do not think of a memory of working at Porky’s. No matter my mood, Paul always had a smile and and always said something to make me laugh. His sense of humor was one of a kind, along with his butter biscuits and tomato pie, or anything else he wanted to cook for his employees to share. He made sure we were always taken care of in his own special way. I loved Paul and Carolyn so much, it was like working with family... and to know one, is to know all! The entire family took time to help at the restaurant. Through my years there, they all left a mark on my life.

TJ! You were so young when I first met you and i had just started... YOU opened my register and said I had done it! I thought I would cry 😊 but it did not take long to see you ruled the roost, along with the hearts of Paul and Carolyn. I enjoyed when you came through, always up to something. Go TJ! That’s my TJ! 🥰

Teddy and Gayle...so many great changes were going on when you were there, and Paul and Carolyn could always depend on both of you to fill in anytime you were needed. That’s what family does, and you both were always a blessing to all of us! 💕

Renee and Lauren...Friday nights were a nightmare sometimes, but you always had everything under control! Although, I only saw you one day a week, as the years passed, I grew to love you both just as other members of the Headrick family. Hearing about the personal things going on in your lives, and seeing the joy you brought to Paul and Carolyn knowing you were coming, melted my heart.

Every member of the Headrick family had a positive impact on my life. I have cried, laughed, and worked hard along side all of you. When you hurt, I hurt. When you laughed, I laughed. I can not begin to imagine the grief each of you are enduring right now, but let there be some comfort in knowing that Paul was able to do what he loved most throughout his life, the restaurant was more than a job to

him...it was his life. And thanks to all of you, all his family was a huge part of that life, making it a great one filled with his family and life altering moments and memories. Paul left such a positive imprint on this world, and in our community. His legacy, along with Carolyn's, will never be forgotten.

Every member of the Headrick family will remain in my prayers. Continue sharing the wonderful memories of the Porky's man, those memories will keep his legacy alive.

I love you ALL!!! ❤️
