“ Paw I will Miss you. I met you in the mid 1990's when Rod and Val started to date. We all have shared many fun times, at the lake and holidays. I sure will miss that smoked Boston Butt, no one could do it like you. More than anything, I will miss you, your smile and laughter and love for your family. You were always good to me. Rest easy Paw.

Beautiful photos. I have so many that could have been added. He also had step-grandchildren and Step-great grandchildren that loved him dearly. So many photos taken over the years.
