“ Sorry to hear of Sheila's passing. Sheila and I served together in the Army Reserve, 326th Chemical Company. Sheila was my mentor when I first enlisted. She was a great mentor and an even better friend. We traveled to a lot of different places together for training and sometimes for fun. Most memorable was in Germany and New Orleans. The last time we really talked Sheila and I shared laughed about these times and all the people we had come in contact with during these times.
