“ How can I post all of my love and memories in a few words it could never be enough time or paper. We are so sorry we did not make it down for the funeral but know that we are there with you and our love is there we so enjoyed the visit with William at Thanksgiving and that sense of humor was there as usual we will forever miss him and a huge part of our family is now gone but we are and will stay a family that loves each other and stick together through thick and thin so William will now be an angel watching over us. Love you William always.
